

New Library Catalog Search / Request

The new library catalog allows you to find Lourdes resources and OhioLINK resources all in one place!

When you go to the catalog it will look like this:

The screenshot shows the top navigation bar of the Lourdes University library catalog. The bar is terracotta-colored and contains the Lourdes University logo on the left, followed by links for RESEARCH GUIDES, LIBRARY SEARCH, RESEARCH ASSISTANT, and JOURNAL SEARCH. On the right side of the bar are icons for a QR code, a pushpin, and links for Sign in and Menu. Below the navigation bar is a large white search box with the placeholder text "Search anything". To the right of the search box are a microphone icon, a magnifying glass icon, and the text "ADVANCED SEARCH". Below the search box, the page is divided into two columns. The left column is titled "How does this work?" and contains text explaining that Primo provides simple, one-stop searching for books and e-books, videos, articles, digital media, and more. It also mentions that Primo helps manage research and provides a sign-in link. Below this text is a bulleted list of features: Renew and request books or other materials, Create favorites lists, Export citations to Mendeley or Refworks, and View full search results. (Some databases, only show results when you're signed in.) The right column is titled "Where can I get help?" and contains a link to lourdeslibrary@lourdes.edu for assistance.
